Revenue leader with 20 years of experience across direct sales, marketing, alliances, and global partner ecosystems. Proven record building award-winning partner programs, commercializing new products, and leading high-performing teams. Brings hands-on AI founder experience and a people-first leadership style to help drive exponential revenue growth.

Executive Experience

Founder & CEO ROI Calc Magic • SnapCall.live • ServicePro Magic

2025–Present

Founded three AI-powered B2B SaaS ventures serving B2B sales teams, hospitality operators, and local service businesses. Led each from concept through product build, launch, and early customer adoption, owning the complete 0-to-1 company build across product strategy, AI architecture, UX/workflow design, commercial positioning, web/funnel development, monetization model, infrastructure, and go-to-market execution. Leveraged AI to create an unfair business advantage spanning product development, customer acquisition, and operational scale.

MAJOR ACHIEVEMENTS:

- Onboarded first 7 customers across the portfolio.
- Recruited and managed early 1099 sales, technical, and operating talent to support customer acquisition and AI integrations.
- Built and commercialized live SaaS products with working infrastructure, customer workflows, demos, websites, payment/subscription foundations, and sales motions.

VP, Global Channels & Alliances

airSlate

Dallas, TX ■ 2023 to 2025

Launched the airSlate Partner Program. Hired and trained an 11-person global team that includes Channel Directors, Partner Managers, Partner Marketing, Business Development, Customer Success Managers, Partner Concierge, and Solutions Engineers. Created a partner acquisition engine that acquired 500+ ISV's, SIs, MSPs, VAR, and Distributor partners. Constructed partner program and designed all operational, partner, and customer-facing processes. Crafted co-marketing, demand generation, and events programs to drive partner engagement and pipeline. Served as brand ambassador and speaker at industry events. Led global Partner Conferences, Partner Advisory Board, and round tables to motivate and inspire partners. Managed multimillion dollar budgets. Served as a member of the leadership team.

MAJOR ACHIEVEMENTS:
